Wasatch SoftRIP Announces Certification for the HP Designjet L25500 Printer

February 18, 2010—Salt Lake City, UT—Wasatch Computer Technology is pleased to announce that the Wasatch SoftRIP printer driver for the HP Designjet L25500 Printer is fully certified under the HP Designjet RIP Certification Program. Only products that have undergone stringent testing by HP and have met the necessary performance requirements are awarded the Certified for HP Designjet L25500 Printer status.

Certification tests for the new HP Designjet L25500 Printer include printing performance, calibration, and the range of HP media profiles that can be supported. In addition to the printer driver, Wasatch Computer Technology has produced a number of imaging configurations for this new HP Latex Printing Technologies device.

Support for the HP Designjet L25500 Printer is included with the latest release of Wasatch SoftRIP and the Wasatch SoftRIP HP Exclusive Edition. In addition to providing support for the HP Designjet L25500 Printer, the full-featured SoftRIP HP Exclusive Edition now includes support for HP solvent printers at no extra charge. With a suggested list price of just \$1,495, the SoftRIP HP Exclusive Edition is a powerful and cost effective way for SoftRIP users to manage their HP Designjet printers with a single RIP.
