**For Immediate Release**

**Wasatch Computer Technology, LLC  
Is Proud to Announce Fellers, Inc. as a New Partner**

**July 01, 2008—Salt Lake City, UT** – Wasatch Computer Technology is proud to announce a new partnership with Fellers, Inc., the world’s largest wrap supply company. Fellers’ customers can now order Wasatch’s RIP and print management solutions by contacting their Fellers sales rep.

Fellers’ technical department found that Wasatch SoftRIP reduced technical support costs and improved customer satisfaction. The unsurpassed reliability of Wasatch SoftRIP, combined with its 16-bit color rendering, complete functionality, and ease-of-use, were all key elements in Fellers’ decision to partner with Wasatch.

“We are excited to work with such a unique leader in the wraps industry,” says Jay Griffin, Wasatch Executive Vice President. “Fellers has a distinguished history of providing quality products to their market. This is a perfect match for us.”

**About Fellers**

As the largest wrap supply company in the world, Fellers is committed to excellence in customer service and support. With 50 locations across the United States, Fellers’ dedicated, experienced, and knowledgeable staff provides full-service business solutions to the sign industry’s wrapping community.

**About Wasatch Computer Technology**
